

Bluebonnet Methodist Preschool March Newsletter

Happy Spring Time! It is nice to see this beautiful change in weather. We have so many fun things planned this semester so please check your child's folder each school day for important reminders. Please be on the lookout in the near future for information regarding an Easter Egg Hunt, Field Day, Pre-K graduation and a class picnic.

Pre-K parents, please turn in your information and money for your child's cap and gown. Please turn this in by Thursday, March 10th.

We are continually working to help provide the Helping Center with food items. Children are encouraged to bring one canned food item as an offering for Chapel.

If you haven't already submitted a recipe, please email one or more to bluebonnetmp@nctv.com. It is not too late and we need full participation to produce this cookbook and make it a special keepsake for many years to come!

Please turn in your child's updated immunization form if they have had a birthday this semester.

Thank you for your continued support and participation at Bluebonnet. We are so thankful for the special children and families God has blessed us with this year!

Thoughts to Grow On With Your Child: Jesus Always Accepts You

"The Father gives me my people. Every one of them will come to me, and I will always accept them." John 6:37

People can be downright mean sometimes. Some people act like they think you're great one minute and the next minute treat you like a fly at a picnic. Some people refuse to be friends with someone that if that person doesn't wear the right clothes, or live in

the right neighborhood, or go to the right school. Sometimes it's for even similar reasons than these (like not liking the same music or TV show). Jesus loves you no matter what and just the way you are. He will never reject you or be embarrassed to be your

Upcoming Events:

Register for the Fall! Classes fill up quickly, so don't delay.

School Pictures: Mar. 8th

Vision/Hearing Screenings: Mar. 10th. 4-5 yr olds.

Spring Break- Mar. 14-18

Monthly Bible Verse

Love each other as I have loved you. John 15:12

Birthday Blessings

Cole Belote	3/2
Cooper Chase	3/9
Max Henrique	3/21
Kade Pilobian	3/21
Lola McDonald	3/31

Important Reminders

- ♦ Tuition is due each month on the 25th.
- ♦ Please don't include lunches containing peanut butter
- ♦ Please turn in all of your child's paperwork
- ♦ Please label your child's belongings.

Refer-a-Friend

We have a few three year old openings. If you refer a friend, and they sign-up, you will receive \$50.00 off next month's tuition. We would love to add more children to the Bluebonnet family!

friend.

Today: Spend time with your best friend, Jesus.

Growing with Jesus
by: Andy Holmes

Mrs. Galban and Mrs. Dykes

We are celebrating Dr. Seuss' birthday this month with several fun activities. We will rhyme, count, and finger paint a spotty spider book with the letter S. Our color for the month will be green for the spring season and St. Patrick's Day. We will also talk about the changing weather and learn how God put rainbows in the sky as a reminder of His love for us. We will learn how plants grow with sun, water, care and patience. We will also be growing our own plants in the classroom!

Mrs. McCannon and Mrs. Woodward

Our month begins with a poem about boats. We will then make our own boats and learn how they sail across the water. We will also conduct transportation experiments with airplanes and helicopters. This month we are focusing on the numbers 8 and 9 and the letters S,T, and U. We will talk about how God made rainbows to remind us of His love for us. We will paint rainbows. We will also begin a unit on the changing weather and make a cloud book.

At the end of the month, we will learn that planting seeds will produce food to eat.

"I can do all things through Jesus, who strengthens me."

Mrs. Ashbaugh and Mrs. Dahl

We will be celebrating Dr. Seuss' birthday with fun art, math, and literacy projects to help develop a love of reading. We will also celebrate our favorite things and reinforce math skills by graphing our favorite color, food and pet. Students will get a chance to share their individual favorites during our show and tell day. After Spring Break, we will learn how people may have lived during Bible times

and compare it to today's time.

Volunteers of the Month

A big thank you goes to Lisa Hambrick and Richard Lewis for helping with the pancake lunch. What fun it was to see Richard making pancakes in footed pajamas!

We would also like to thank Melissa Whitaker for being our parent volunteer for picture day.
