I am interested in serving in the Worship ministry with:

Worship Services:

- Scripture Reader Volunteer
- Coordinating Scripture Reader Volunteers
- Setup Communion on Altar table - 9:00 AM service weekly, 11:00 AM service monthly
- Ushers - Greet people, hand out bulletins & communion elements, give directions, collect offering
- Coordinating Ushers - training and/or scheduling volunteers
- Setting up worship paraments (colored cloths and banners for different worship seasons & holidays)
- Coordinating volunteers for decorating the Sanctuary at Advent/Christmas, Easter and other Church holidays

Worship Service Technology:

- Operate Computer for Service Slides - training available - follow a preset list of slides, push a few buttons
- Operate Cameras in Service - training available - camera presets for particular shots, goes to livestream
- Setup & Monitor Livestream - step by step book available, all done pre-service then just monitoring
- Livestream Greeter/Usher - watch livestream on Facebook or YouTube, welcome people, answer/ask questions, comment on service, delete anything inappropriate
- Operate Sound Board during service - training available
- Set Up/Tear Down Audio Equipment for Wednesday Night Worship or Special Events
- Set Up Video Equipment for Special Events
- Video and/or Audio Editing

Music:

- Play a musical instrument or sing in Contemporary Worship 9:00 AM service, practices before service
- Sing in the Chancel Choir, practices Wednesdays 6:45 - 8:00 PM, sings in 11:00 AM service
- Play handbells - training available, practices Wednesdays at 5:30 PM, perform in 11:00 AM service 1x/month
- Play a musical instrument or sing in Wednesday Night 5:50 PM service, practices before service
- Help with Children's Choir, meets Tuesdays, 3:30 - 5:00 PM - snack setup, chaperone, drive or ride vans to pickup from schools
- I have a child interested in Children's Choir on Tuesdays 3:30 - 5:00 PM

I am skilled/talented at:

and think I could benefit this ministry by:
